LoRee Kenagy is a classically educated, award-winning performer, choreographer, and instructor, bringing 20+ years of experience on the stage, in the classroom, and behind the scenes to her passion for tap as an art and social movement. As a nationally featured tap instructor, Director of the WSPA Tap Program, and Founder of TapIN, LoRee's unique blend of structure, musicality, and creative instruction produces a rich learning environment and some of the country's top-ranked dance students.
