Bella Triunfo is a passionate and dedicated dancer with a versatile training background and performance experience. She began her dance journey at the Westlake School for the Performing Arts (WSPA) at the age of 3, where she competed internationally and earned many accolades and scholarships to train with professional ballet and contemporary companies. While with WSPA, Bella performed in productions of The Nutcracker, Paquita, and Swan Lake. She also had the privilege to travel to the Philippines to represent WSPA at the prestigious C-MAP Choreographer's Festival Internationale.

Bella recently graduated Magna Cum Laude from the University of Arizona with a Bachelor of Fine Arts in Dance and a minor in Nutritional Sciences. During her time at Arizona, she had the opportunity to train under the guidance of distinguished choreographers such as Hayley Meier, Autumn Eckman, Elizabeth George, Thang Dao, and Jason Hortin, among others. Bella's commitment and intelligence were recognized through her selection as a Medici Scholar in 2022, and she was awarded the College of Fine Arts Scholarship each year. To further expand her professional training, she has attended renowned dance intensives, including A.I.M. by Kyle Abraham, Complexions Contemporary Ballet, Entity Contemporary Dance, and Perry Mansfield with Justin Giles.

Bella is thrilled to return to WSPA as an instructor, eager to share her knowledge and passion with the next generation of dancers. With a strong foundation in both performance and choreography, she looks forward to where her professional dance career will take her.
