Angela began dancing at the age of three and joined WSPA's Performance Program in 2000. Throughout her dance career, she has earned numerous high-level competition awards. She is a graduate of the University of San Francisco, where she earned a Bachelor of Arts in Communication Studies and Political Science, and she later completed a Master of Business Administration in International Business. Angela finds great joy in teaching Ballet and Tap, and in watching her many young students grow within the programs WSPA offers. She is also the proud mom of two daughters, who now dance at WSPA as well. Angela finds great happiness in seeing them perform and enjoy learning to dance.
