Jolo Cabrera began his dance training in WSPA's general school program under the direction of Chris Aldeguer, a previous member of WSPA's adult hiphop team, The Company. The years following, under the direction of Patrick Cruz, he made his way through WSPA's performance program from APT, to Training Ground, and eventually to the Company in 2011.

Since then he has become a choreographer for The Company and has had the opportunity to share his craft across the United States as well as overseas in a number of countries such as Russia, Poland, Vietnam, China, and the Philippines. He has also had the opportunity to work alongside Bay Area Hip Hop artists P-Lo and E-40.

Jolo is now the Co-Director of The Company alongside Melissa Batesting and Jessie Muñoz and continues to train in order to better serve those around him as a director, mentor, and artist.
